### A New Era for Montessori in Australia

#### Monday, 8 March 2010, Perth

As the Montessori Sector continues to strengthen and grow, and as the government's education revolution unfolds, a new era is emerging for Montessori in Australia. This era is underpinned by professional infrastructure, quality, capacity, advocacy, diversity and unity. To further this development the Montessori Australia Foundation is holding a series of Montessori Leadership Forums in five capital cities in March. The Forums are open to Heads of Schools and Centres, other leadership staff, Centre owners, and members of Montessori School Boards. These Forums are designed so that collectively we can meet, discuss issues and help inform Montessori Australia's policy direction and priorities. Working with the leaders of the Montessori community we will continue to chart the future direction of Montessori in Australia. The Forums will include presentations from the Montessori Australia Foundation, discussion of key issues, dinner and drinks.
